Larry Betz

Founder, Little Rock Kickball Association

William Lawrence "Poo" Betz—raised in North Arkansas, Larry has a Bachelor of Arts in English, a Masters in Rhetoric and Writing and is currently getting a graduate certificate in Non-Profit Management at UALR. The Four-Way Test

Of the things
we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

"If your actions inspire others to dream more, learn more, do more, and become more, then you are a leader."—Dalton McGuinty

**A call to action
for every member**

“I want Rotarians everywhere to accept the responsibility of bringing in one new member each year and mentoring that person to become a committed Rotarian.”

2007—08 Rotary International President Wilf Wilkinson

Deadline extended!

Sign up for the 2008 Rotary International convention in Los Angeles by 5 October, and you'll receive a special, limited edition, Star Voyager pin.

The deadline to sign up has been extended as RI Headquarters will be undergoing a computer server upgrade from 27–30 September. During that time, phone and computer lines will not be available, including the Member Access portal.

For this reason, the deadline has been extended to 5 October.

Learn about Rotary's youth programs

September is New Generations Month, a time when we focus on Rotary's future and the many Rotary programs that address issues of importance to young people, especially younger Rotarians.

Rotary Youth Leadership Awards (RYLA), Rotary's training program for young leaders, emphasizes leadership, citizenship, and personal growth. Held each year in District 6150, for high school students in the 10th and 11th grades.

Interact is a Rotary-sponsored service club for young people ages 14-18. The program gives young people an opportunity to participate in fun, meaningful service projects while developing leadership skills and meeting new friends.

Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30. Rotaract clubs are usually community-based or university-based and are sponsored by a local Rotary club making them true "partners in service" and key members of the Rotary family. Through the Rotaract program, young adults not only augment their knowledge and skills, but they also address the physical and social needs of their communities while promoting international understanding and peace through a framework of friendship and service.

Rotary Youth Exchange—since 1927, students and host families all over the world have had their horizons broadened and their lives enriched by the generosity of Rotary's Youth Exchange program. Administered by Rotary clubs, districts and multidistrict groups, the program today involves more than 82 countries and over 8,000 students each year.
